

● **FAMOUS DIAMONDBACK GRILL BURGERS*** ●

Indeed we are best known for our hefty half-pound burgers that will certainly require multiple napkins to take care of the juices on your hands. Each is cooked to your specifications, from rare to well-done and everything in-between. Our juicy burgers are assembled on a sesame bun with mayo, lettuce, tomato, red onion & pickle. You want your onions grilled? No problem. Don't see your favorite combination? Just ask and we'll make it for you. Burgers are served with a generous side of golden fries, soup or salad. Add \$1.00 to substitute onion rings, sweet potato or garlic fries.

*Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions. Our burgers will be cooked to order, and this may make them under cooked.
